

VZ-200

DEFENCE PENETRATOR

Can you destroy strategically placed missile bases or will they SCRAMB our system?

Now you are the Pilot of the VZ-200 Annihilator, the deadliest surface attach spacecraft known. Your mission is to infiltrate enemy territory on remote planetoids carrying the deadly QUACKER 5000 air to surface super bombs and your own crafts high output intercept to destroy torpedoes. Destroy or be destroyed!

Enemy defences will try to eliminate you with carefully stationed anti launch ballistic missiles and Skyhawk Destroyers. Rugged surface terrain and freak meteor storms will hinder you as you rain down fiery devastation upon their surface and underground nuclear reactors and supply depots. With NERVES of STEEL you must try to recover your steadily diminishing fuel supply in flight and reach the climax of your mission!

Can you cross the 2000 KM of swooping scenarios?

Can you reach the enemy COMMAND BASE and smash it to atoms?

Danger awaits you with super ARCADE ACTION!

DEFENCE PENETRATOR is based on one of the most popular arcade favourites of all time with FAST ANIMATED HIGH RESOLUTION COLOUR GRAPHICS and SOUND EFFECTS. Written in machine code for superior quality.
